Amsterdam ♥ 5 couples ♥ 5 days ♥ 10 Heroes of Love on a mission. To celebrate equality in love.

For the first time the Canal Pride will be visible from the centre. Literally through the eyes of the people who really matter and who make a real difference in the LGBT community worldwide:

The 'Heroes of Love' from the Netherlands (Famous Dutch people) and the Heroes of Love from abroad who are jointly committed to equal rights for all.

During this unique online event you can follow them on their adventure. Watch and talk to them during the Pride Amsterdam on Periscope, Youtube, Facebook, Instagram and Twitter! You can even come and see them in Amsterdam on our Loveboat!
